INGO MUELLER

Vertical Bridge is a Vancouver based consulting firm providing outsourced human resource and professional recruitment services to a variety of clients ranging from small businesses to large Fortune 500 companies. Over the past eight years we have worked with Mr. Ingo Mueller providing him with ongoing recruitment services and HR support for a variety of positions within his company.

In addition to clearly understanding who our clients are (including their corporate culture, values, vision, etc), part of our recruiting process is to conduct post-hire follow-up with the candidates we have placed into new jobs. Without exception the feedback we have received from the individuals we have placed with Mr. Mueller has been very positive.

In all of our dealings with Mr. Mueller we have found him (and his staff) to be professional with a high level of integrity. Mr. Mueller has always ensured that any agreements he has entered into with Vertical Bridge are fair, and he has always honored all the terms and conditions contained within these agreements.

We continue to provide services to Mr. Mueller without reservation.

Sincerely,
